## A Truly Custom Service

Whether your preference is for traditional or theme styling, our tables are the perfect choice for any card room or exclusive high limit/VIP gaming area.

Each table is manufactured by highly skilled craftsman and can be built to your bespoke needs, with all the latest colours, finishes and materials available to compliment any casino brand, colour scheme or design. Available in a wide range of standard base designs including "H"-style or "X"-style legs, barrel base or bespoke designs the TCSJOHNHUXLEY Poker table also comes with a comprehensive choice of accessories including foot rails, drinks holders and armrest styles.

## Integrated Electronics

Almost as important as the playing surface of the table is the range of electronic components such as dealer consoles, utility and security features, mounted PC's and controller units that are seamlessly incorporated into all our tables.

TCSJOHNHUXLEY's unrivalled experience of fusing technical innovations with traditional gaming products provide operators with highly functional, durable, yet beautiful tables.

## World Class Craftsmanship

As the world's leading manufacturer of live gaming equipment, TCSJOHNHUXLEY is known for bringing quality craftsmanship, combined with sophisticated technology to the table, with all our poker tables featuring stand-out designs and eye-catching visuals.
