

Qorex Accessories

Qorex is available with a range of accessories providing for additional configuration or customisation. These include connector wedges / player shelves, drink holders, cordless charging spots and illuminated LED back panels. Casino logos or designs can also be added to add individuality.

Features & Benefits

Configurable multi-colour LEDs can indicate game states and denote price of play

Optional integrated wireless charger

Integrated drinks holder

LED illuminated back panels - can be customised

Connector wedges allows for cable management between terminals

Multiple game and variations available

Adjustable levelling feet

Drinks shelf to prevent spillages

Allows terminals to be positioned at angles of 5, 15, 35 and 45 degrees

Terminal Positioning Options

Qorex accessories provide various options for configurations through coloured terminal wedges and corner drink rests. With its modular design, Qorex connector wedges allow for multiple placement options to suit any gaming floor requirements, ranging from 0 degrees (straight line) to 45 degrees.

Wide Range of Accessories

Qorex Terminals offers a wide range of accessories that allow for further customisation including ergonomically designed player shelves that double as spacers in-between terminals and feature the same LED lighting to provide a seamless look. Further player features include wireless charging spots for mobile devices along with drink holders to prevent spillages.

Eye-Catching LEDs

Qorex accessories feature configurable multi-colour LEDs providing an eye-catching addition to any gaming floor. LEDs can also be used to denote the price of play or customised to a casino's colour scheme. Striking LED illuminated back panels can also be customised with your logo or design.
