## World Class Craftsmanship

With a long history of crafting the world's finest live gaming tables, TCSJOHNHUXLEY expertly manufacture each Roulette table with a mix of precision engineering and master craftsmanship, resulting in a stunning and technologically advanced gaming table.

With a wide range of sizes, styles, colours and finishes available TCSJOHNHUXLEY work with you to design a world class Roulette table which suits your casinos theme, colour scheme and brand. Whatever your vision TCSJOHNHUXLEY can help make it a reality, with the experience and skill to create truly bespoke gaming tables.

## Integrated Technology

TCSJOHNHUXLEY has always been at the forefront of incorporating cutting edge table gaming technology and electronics into traditional gaming tables. From seamlessly integrated electronics for displays, table signage and dealer consoles to the latest in our patented Blaze LED Surface Technology or eye catching LED edge lit panels built into the tables base, technological innovation is at the heart of what TCSJOHNHUXLEY do.

## Create the Winning Combination

Available as an additional element to your Roulette gaming table, Blaze displays colourful animations, game status prompts and winning numbers across the game layout. When combined with the Saturn™ Glo Roulette Wheel and a TCSJOHNHUXLEY Winning Number Display, a traditional Roulette table becomes an eye-catching feature of the gaming floor which attracts and retains players.
