Create a Big Impact

What sets the Super Reels Money Wheel apart is its unmistakable visual impact, making it ideal for the online gaming environment as well as land-based casinos.

Standing at almost 2.3 metres high, the Super Reels Money Wheel features two enormous wheels designed to emulate old fashioned slot reels, that independently rotate to create a dynamic stage that will transform any game into a showpiece and will capture the attention of players and onlookers alike.

Transform your Reels

All TCSJOHNHUXLEY Money Wheels are manufactured to the highest standards and can be developed with your creativity in mind to create a truly bespoke theme.

Operators can customise these reels with their own branding and game themes transforming the Super Reels into a canvas for their unique vision - the possibilities are as endless as the operator's imagination.
